DAHLIAS

LUBECK GARDENS

Greetings:

It gives us much pleasure to hand to you our 1935 catalogue of dahlias and also at the same time take the opportunity of thanking our satisfied customers and friends for their kind words, letters, etc., informing us of their success with our roots this past season. In the future, as in the past, it will be our constant endeavor to give our patrons the utmost satisfaction in quality and service. All who place their orders with us may rest assured that they will get a square deal.

With every wish to serve you satisfactorily we solicit your continued patronage, which will at all times have our prompt and most careful attention.

Yours for larger and better flowers,

LUBECK GARDENS,

Louis C. Becker, Manager.

The cover of this catalogue was designed by
J. H. Gough, Valley Falls, Rhode Island.

Price List

- AMBASSADOR**—(HC)—A soft buff yellow shaded salmon pink. The flowers are supported on long, stiff stems.....**.35**
- AMERICAN GLORY**—(FD)—A beautiful color combination of red tipped white. A free bloomer and excellent cut flower.....**.35**
- ANDREAS HOFER**—(C)—A shell pink and cream of extreme beauty grown on medium size plant, good stems, and keeps well. Wonderful cut flower.....**.35**
- BAGDAD**—(FD)—Scarlet red, perfectly poised flowers held well above the foliage. American Honor Roll dahlia that will remain in our collection for many years to come..... **.75**
- CHARLES G. REED**—(FD)—Purple red, often called petunia red. The flowers are very large and are held upright on perfect stems. You can't go wrong in adding this one to your collection..... **1.50**
- CHAMPOEG**—(FD)—A most attractive flower. It is a waxy canary yellow at the center and shades into a salmon pink. The flowers are bronze on strong sturdy stems. This blossoms early and produces freely.....**1.50**
- CHEMAR'S 2406**—(FD)—A fine ruby red flower. Free bloomer.....**.50**
- CHEMAR'S EUREKA**—(FD)—A pure white with a touch of lavender in the center. A vigorous grower and a free bloomer. The flowers are borne on stiff stems, well above the foliage.....**.50**
- COMMODORE (THE)**—(ID)—A bright lemon yellow, which can easily be grown to 12 inches. Sturdy grower and produces a profusion of flowers. Stems can be made good by disbudding....**1.00**
- DERRILL W. HART**—(ID)—A real autumn color, copper shading to henna and brown. Stiff stems..... **1.00**
- EAGLE ROCK FANTASY**—(ID)—This giant variety has carried out every claim made for it as it has been a prize winner from coast to coast. The color is an unusual shade of orchid or mellow pink.....**1.75**
- EDNA FERBER**—(HC)—Apricot shading to old gold. Extreme size and beauty of this flower attracts attention where ever shown.....**.50**

Members of the American Dahlia Society

- ELITE GLORY**—(FD)—Brilliant red. Very large blooms and grows on stout stems. Excellent keeper.....**.35**
- EMPEROR**—(FD)—Salmon rose, large flowers borne on good stems and a very free bloomer. The last blooms are as large as the first.....**.50**
- E. T. BEDFORD**—(FD)—Large violet purple. Though old, still is one of the best in its class, because of its vigorous constitution. This flower will grow most any where.....**.50**
- FARNCOT**—(C)—Bright aster purple tipped white, carried on good stiff stems and will last longer when cut than any other flower we know. A prolific bloomer.....**.35**
- FRANK GALVIN**—(ID)—A deep shade of orchid lavender, very vigorous grower.....**.25**
- FRAU O BRACHT**—(SC)—A clear shade of cream. Fine exhibition size, borne on fine stems and very attractive. If you desire a good cactus, here is one.....**1.00**
- FORT WASHINGTON**—(FD)—A deep maroon very large flowers which are held erect on long stiff stems, well above the foliage.....**.50**
- FORT MONMOUTH**—(ID)—The predominating color of this flower is a rich wine red with an underlying tone of brilliant crimson maroon. The flowers are borne on long stiff stems high above the foliage. Still a winner at the shows.....**.50**
- GRACE CURLING**—(ID)—Cuttleja lavender shading to white at the center. Each petal is attractively notched at the tip. The flowers are upheld on good stiff stems. This dahlia has not been praised enough.....**.75**
- GRAF ZEPPELIN**—(FD)—Pure waxy white flowers are regular in formation with full centers. Stems are very long and erect with blooms high above the foliage. This should be used in the back-ground as it grows very tall.....**.50**
- GOV. ALVIN T. FULLER**—(ID)—A low growing plant with very large Tyrian rose flowers. A flower well worth growing even though the stem is not of the best.....**.50**
- GIRL OF HILLCREST**—(ID)—Brilliant mikado orange in color a vigorous grower on stems that hold the large blossoms well above the foliage.....**1.50**
- HARRY MAYER**—(ID)—A silvery pink with a rose pink reverse. Borne on good stiff stems. A very attractive flower and it is very satisfactory as a cut flower.....**.25**

Place Your Order Early to Avoid Disappointment

- JANE COWL**—(ID)—Most every dahlia lover knows about this flower, but for the benefit of those who have not had the pleasure of growing it, it still takes the honors in the dahlia world. It is a warm buff and old gold. No dahlia garden is complete without it.....**.35**
- JEAN KEEFER**—(ID)—A beautiful rose-pink. A graceful flower held erect on great long stiff stems..... **1.50**
- JEAN TRIMBEE**—(SC)—The color is a beautiful petunia violet. Plants grow tall, with long, erect stems. Wonderful for exhibition purposes..... **1.50**
- JERSEY'S BEAUTY**—(FD)—This flower needs no introduction. A lovely pink with a shading of chamois. The flowers are perfectly formed and borne on a long stiff stem. None better for cut flowers.....**.25**
- JERSEY'S BEACON**—(FD)—Another old standard but still widely grown and liked. Chinese scarlet with a buff reflex. Very large, splendid form.....**.25**
- JERSEY'S TRIUMPH**—(FD)—Copper and salmon with growth and habits like Jersey's Beauty. Excellent cut flower.....**.50**
- KING MIDAS**—(ID)—Pure golden yellow. Very large flowers with fine strong stems, holding big blooms erect. A free and continuous bloomer..... **.50**
- KENTUCKY**—(FD)—A sport of Jersey's Beauty, The color is salmon pink. This flower possesses all the fine qualities of the parent plant. Perfect cut flower.....**.50**
- KENTUCKY RED**—(ID)—One of the brightest reds of recent introduction. A flaming scarlet-red and will not fade from the sun. Strong healthy foliage.....**1.50**
- KATHERINE NORRIS**—(ID)—One of the finest informal pinks. It is large and graceful and the flowers are held on good stems. An excellent cut flower..... **.50**
- LAFIESTA**—(ID)—Butter-cup yellow, penciled with soft red. The flowers are large and fluffy. This flower should be planted early as we found it to be a late bloomer.....**2.00**
- LONG HILL**—(ID)—A seedling of Jane Cowl. Orange cadmium and coral. The plant is a good grower and a prolific bloomer. Fine exhibition flower.....**3.00**
- LAWRENCE TIBBETT**—(FD)—The color is a warm glowing clean peach. This immense twelve to fourteen inch formal decorative dahlia of fine form is held erect on strong straight stems, on tall strong bushes and are excellent keepers as cut flowers. An Honor Roll Flower and winner of many prizes.....**12.00**

- MABLE GOOD ACRE-(ID)**—Color, even mauve flowers borne on stiff stems. Vigorous bloomer with good size flowers.....**50**
- MONMOUTH CHAMPION-(FD)**—An outstanding giant flower of flame scarlet. Immense size on a low growing plant.....**50**
- MARVEL-(ID)**—A sturdy, vigorous grower with brilliant and well formed clear orange blossoms.....**50**
- MARMION-(ID)**—A primrose yellow with bronze shading on reverse of petals. Blossoms huge in size and borne on cane like stems.....**35**
- MRS. A. E. WHEELER-(ID)**—A fuschia red. Plants are of medium height. The flowers are borne on long stiff stems. Excellent keeper. A dahlia of high quality.....**75**
- MRS. GEORGE SKEEN-(FD)**—Mulberry shade. A good size flower and a low growing plant. A free bloomer and good stem.....**50**
- MRS. ALFRED B. SEAL-(ID)**—A violet rose. The flowers are of great depth, on fine long stems. In order to get the best results this flower must be planted early.....**50**
- MURPHY'S MASTERPIECE-(ID)**—A deep dark red shading to garnet. This plant bears large flowers without much attention. A winner of many prizes and often called the world's largest and best red dahlia.....**5.00**
- ORIENTAL GLORY-(ID)**—An introduction of Delight-U-Gardens, was awarded a place on the 1933 Honor Roll. It is an Informal Decorative of a deep cadmium orange overlaid with a glowing scarlet. It is in a color class by itself. Stems are stiff, holding flowers well above foliage. A winner of many prizes last season from coast to coast. It is one of the first to bloom and the last to quit.....**7.50**
- OTTO OCKERT-(C)**—Buff with profusion of blossoms on a short bushy plant. Flowers are of medium size.....**50**
- PRESIDENT HOOVER-(ID)**—Peach red, blending to begonia rose. It is an early bloomer on long stems. A flower of the Jersey's Beauty type. It is a tall grower and should be staked.....**75**
- RUBY TAYLOR-(ID)**—A Western flower which has gained great popularity in the east. Color is purple carmine. Flowers are borne on long stiff stems in an open growing bush, and needs no pruning to produce large deep blooms....**5.00**
- SANHICAN'S PEACH-(ID)**—Color golden bronze shaded with a reddish salmon. Large flowers on medium size plant.....**35**
- SALEM PRIDE-(ID)**—Reddish violet, streaked with white. Blooms are large and deep on good stems when disbudded.....**50**

Place Your Order Early to Avoid Disappointment

- SATAN-(SC)**—A dahlia fans ambition is to grow this one flower. A prize winner whenever shown and a wonderful addition to the dahlia world. It is an immense flaming red cactus with great horn-like petals, making the flower very attractive both in the garden and show room.....**2.00**
- STAR OF BETHLEHEM-(SC)**—A wonderful star like bloom of pure white, one of the best white cactus yet produced. The plant grows from medium to tall with heavy foliage. Flowers are borne on stiff stems.....**50**
- SUPREME GLORY-(ID)**—A large yellow, with a faint flush of rose on the reverse side of some of the petals. A very satisfactory plant to have in the garden.....**50**
- TREASURE ISLAND-(FD)**—Color bright apricot with gold and rose suffusion shading. Bush growth is strong, branches readily from the ground. Flowers are borne erect on strong stiff stems.....**50**
- THE FIREMAN-(ID)**—This flower needs no introduction to dahlia fans. It has been a winner wherever shown. A cardinal red with golden flushes and golden tips at center of flower. Very showy and free flowering. It won the American Home Achievement Medal in 1933. Many other awards have been credited to this creation..... **5.00**
- THE COMMODOR-(ID)**—A bright lemon yellow, which can easily be grown to 12 inches. Sturdy grower and produces a profusion of flowers. Stems can be made good by disbudding.....**1.00**
- THOMAS HAY-(ID)**—Clear lilac flowers are deep full and massive. The stems carry the huge flowers with ease.....**50**
- TRENTONIAN-(FD)**—A fine copper bronze flower, borne on long stiff stems well above the foliage. An excellent keeper.....**25**
- WALDHEIM SUNSHINE-(ID)**—A deep golden yellow shading to chrome yellow at center. Flowers are large and borne on a stiff stem. Also a vigorous grower and good root maker.....**75**
- WILLIAM H. HOGAN-(FD)**—This is one of the best variegated red and white dahlias to date. Garnet red with white tips running down the center of the petals. Blossoms are carried on long stiff stems. A very showy flower.....**50**
- WHITE WONDER-(ID)**—Introduced in the spring of 1933. This is unquestionably the largest and best white informal dahlia ever introduced. It is a wonderful garden or exhibition flower..... **2.00**
- YANKEE KING-(ID)**—Color is of deep autumn tints with a dash of rose on the reverse side of petals. Vigorous grower with flowers held on strong erect stems.....**25**
- YELLOW BEAUTY-(ID)**—Empire yellow. The plant has heavy thick foliage with large size flowers borne on top of stems.....**50**
